**As the world is struggling with Covid-19 and we as a country are observing complete lockdown, the school is trying to make this period as comfortable for you as possible.**

**We have been in touch with you through our teachers conducting online classes so that the children can continue with their learning in the safe environment of their homes.**

**I also want to mention here that from the school's side, there is no urgency for the school fee to be deposited. Let's pray that this pandemic is over very soon and the life returns to normalcy. School fee can be deposited once the lockdown is over.**

**Praying for the well being of one and all.**

**STAY HOME, STAY SAFE**

**With Regards**
