

## PRINCIPAL'S PERSPECTIVE

Namaste! Under the aegis of DAV CMC, New Delhi, we are blessed to be serving the society in the noblest possible way, by educating the young ones, about our beliefs, about the values we uphold, about the knowledge we have gained as a race till now. We, here at LRS DAV, believe in leaving no stone unturned while covering all aspects of human life and while dealing with young minds. Developing their reasoning skills implies catering to their intellectual needs. At the same time, a visit to old age home or celebrating grandparents day with them keeps account of their emotional needs and reinforces our Indian value system. PT exercises and yoga routine addresses their physical fitness needs. Performing havan yajna and reciting vedic mantras tend to their spiritual needs. Participating in co-curricular activities like different club activities takes care of their aesthetic needs. Through our regular features of class shows and counselling sessions of parents, we are in constant endeavour to create a trustworthy bond with Parents and Society at large. With the co-operation of Parents and Society in general, we will do our level best to guide these blooming buds to face the challenges that life offers so that they emerge as successful and responsible Global citizens!
